Bon Jovi, Every Beat Of My Heart

As a hard rain beats down in the night it sounds like applause Still I can't hear a sound with the beat of my heart I can't pick up that phone anymore and I need to confess If I don't say 'I love you' everything else is a waste of my breathe Chorus: Every beat of my heart I would give Every beat of my heart just to live To live for your love, if all that I want Is to die in your arms I'd give you every beat of my heart As I whisper your name I wish you were here by my side And the only way that I find you is when I close my eyes With my ring on your finger I hope and I pray That you know deep in your soul with every step that you take Chorus: Every beat of my heart I would give Every beat of my heart just to live I live for your love, if all that I want Is to die in your arms I'd give you every beat of my heart It's the little things that you do that make me want you more It's the way your hands are trembling but what they trembling for? It's the way the smile fits on your lips The way you hold me tight God knows I'd give everything to be in your arms tonight Chorus: I live for your love, it's all that I want Is to die in your arms I'd give you every beat of my heart Just to live Every beat of my heart, just to live I live for your love, it's all that I want To die in your arms I'd give you every beat of my heart Give you every beat of my heart
