Bon Jovi, Jailbreak

Tonight there's gonna be a jailbreakSomewhere in this townSee me and the boys we don't like itSo Hiding low looking right to leftIf you see us coming I think it's bestTo move away do you hear what Tonight there's gonna be a jailbreakSomewhere in the townTonight there's gonna be a jailbreakSo Don't you be around

Tonight there's gonna be troubleSome of us won't surviveSee the boys and me mean businessBus I can hear the hound dogs on my trailAll hell breaks loose, alarm and sirens wailLike the game if yo Tonight there's gonna be a jailbreakSomewhere in the townTonight there's gonna be a jailbreakSo Tonight there's gonna troubleI'm gonna find myself inTonight there's gonna be a jailbreakSo woma You know it's safer

Breakout!

Tonight there's gonna be a breakoutInto the city zonesDon't you dare to try and stop usNo one cousearchlight on my trailTonight's the night all systems failHey you good lookin' femaleCome here! Tonight there's gonna be a jailbreakSomewhere in the townTonight there's gonna be a jailbreakSo Tonight there's gonna be troubleI'm gonna find myself inTonight there's gonna be troubleSo woman
