

# Bon Jovi, River Of Love

(sambora)

Let me tell you a story  
About body and blood  
There's a fire below  
Deep in the river of love  
Hey pretty mama I'm just trying to be polite  
I wanna make you feel the rhythm of the river tonight  
And when the story is over  
You'll be satisfied

Honey, honey, honey don't you understand  
To make you feel like a woman  
Makes me feel like a man

Let me take you down to the river of love  
Baby pull me under  
Make me drown in your flood  
Baptize my body in your river of love  
Wontcha take me down  
I wanna drown  
In your river of love

If you're a little lovesick  
Woman I got the cure  
Let me be your preacher  
And you can be my whore

I feel your heart pumpin honey don't say not  
I wanna dive in your river  
Take you down real slow  
And then your body will quiver  
And the river will flow

Honey, honey, honey don't you understand  
To make you feel like a woman  
Makes me feel like a man

Let me take you down to the river of love  
Baby pull me under  
Make me drown in your flood  
Baptize my body in your river of love  
Wontcha take me down  
I wanna drown  
In your river of love

Down, down, down let me take ya  
Down, down, down I wanna take ya  
Let me take you down to the river of love  
Baby pull me under  
Make me drown in your flood  
Baptize my body in your river of love  
Wontcha take me down  
I wanna drown  
In our rive of love
