

# Bon Jovi, Standin'

What ya gonna to say about me  
I ain't already thought?  
What ya gonna try and sell me  
I ain't already bought?

You wrap yourself in my colors  
Ain't I the one you love to hate  
You reel me in and run me over  
I bend but I don't break  
I'm my father's son, I'm a son of a gun

I won't back down  
Standing, I'm still standing  
I've got my feet on the ground  
Standing, I'm still standing  
Now I ain't giving in so figure it out  
I'm wild and I'm free  
I'm stubborn and proud  
I'm raising these hands  
Gonna shout it out loud  
Standing, I'm still standing

You know me, my hands are dirty  
Gonna pound my chest  
Just as soon kill as kiss me  
Do your worst, bring out my best  
Don't play for no one  
Don't give an inch  
Push when the wind is blowing  
Hey, hey, hey, hey  
I'm a son of a bitch I don't take no shit

I won't back down  
Standing, I'm still standing  
I've got my feet on the ground  
Standing, I'm still standing  
Now I ain't giving in so figure it out  
I'm wild and I'm free  
I'm stubborn and proud  
I'm raising these hands  
Gonna shout it out loud  
Standing, I'm still ...

I won't back down  
Standing, I'm still standing  
I got my feet on the ground  
Standing, I'm still standing  
I ain't giving in so figure it out  
I'm wild and I'm free  
I'm stubborn and proud  
I'm raising these hands  
Gonna shout it out loud  
Standing, I'm still standing

So come on, push me around  
Standing I'm still standing  
Take a look at me now  
Standing, I'm still standing  
I won't back down  
Standing, I'm still standing  
I've got my feet on the ground  
Standing, I'm still standing
