## Bon Jovi, Stay

This Ain't A Love Song Bon Jovi Album: These Days

I should have seen it coming when the roses died I should have seen the end Of Summer in your eyes I should have listened when you said good night You really meant good-bye Baby, ain't it funny How we never ever learn to fall You're really on your knees You think you're standing tall But only fools are know-it-alls Yeah, I played that fool for you 2-I cried and I cried There were nights that I died for you, baby I tried and I tried To deny that your love drove me crazy 1-If the love that I got for you's gone If the river I cried ain't that long Then I'm wrong, yes, I'm wrong This ain't a love song I thought you and me would stand the test of time Like we got away with the perfect crime But we were just a legend in my mind I guess that I was blind Remember those nights dancing at the masquerade Clowns wore smiles that wouldn't fade Baby, you and I we were renegades Well, some things never change It made me so mad 'Cause I wanted it bad for us, baby Now, it's so sad that whatever we had Ain't worth saving (rpt 1, 2, 1) If the pain that I'm feeling so strong Is the reason I'm holding on Then I'm wrong, well I'm wrong
