

# Bon Jovi, Two Story Town

I couldn't sleep  
Took a walk down Second Avenue

Sick of dreaming dreams that never come true  
One way street and I know where its leading to  
There's a "For Sale" sign on the front door of the city hall  
The subway line got graffiti crawling off the wall  
I could take a hit but I don't want to take the fall

That's just one side of the story  
In this two story town

[Chorus:]  
It's just the same old sights  
And the same old sounds  
I want to take my car and drive out of this two story town  
It's the same old shit going around  
I'm going down, down, down, down, down  
In a two story town

There's a girl that I sleep with  
She's got ecstasy eyes  
He promised her roses and American pie  
I called her and my demons  
And I kissed them both goodbye

Seven days of Monday morning  
In a two story town

[Chorus:]  
It's just the same old sights  
And the same old sounds  
I want to take my car and drive out of this two story town  
It's the same old shit going around  
I'm going down, down, down, down, down  
In a two story town

One shot to make a move now  
The ghosts are calling me out

[Guitar solo ]

And me I'm just one story  
In a two story town  
But you're never going to find me in the lost and found

[Chorus:]  
It's just the same old sights  
And the same old sounds  
I want to take my car and drive out of this two story town  
It's the same old shit going around  
I'm going down, down, down, down, down  
In a two story town

[Chorus 2:]  
It's just the same old sights and the same old sounds  
I want to take my horse and drive out of this merry-go-round.  
I won't give in and I won't back down  
I'm going down, down, down, down down  
Never going down, down, down, down, down  
I ain't going down, down, down, down, down  
In a two-story town  
In this two story town
