

# Bon Jovi, Unbroken

i was born to be of service  
camp Lejeune just felt like home  
I had honor I found purpose  
sir yes sir, that's what I know  
they sent us to place  
I never heard of weeks before  
when your 19 it ain't hard to sleep  
in the desert on god's floor  
close your eyes stop counting sheep  
you ain't in boot camp any more

we were taught to shoot our rifles  
man and woman side by side  
thought we'd be met as liberations  
in a thousand year old fight  
I got this painful ringing in my ear  
from and ied las night  
but no lead lined Humvee war machine  
could save my sergents life  
3 more soldiers 6 civilians  
need those words to come out raight

god mercy  
god oflight  
save your children from this life  
hear these words  
this humble plea  
for I have seen the suffering  
and whit tjos prayer I am hoping  
that we can be unbroken

where's my brothers  
where's my country  
where's my how thing used to be

god mercy  
god oflight  
save your children from this life  
hear these words  
this humble plea  
for I have seen the suffering  
and whit tjos prayer I am hoping  
that we can be unbroken
