

# Bon Jovi, When We Were Beautiful

The world is cracked  
The sky is torn  
I'm hanging in  
You're holding on  
I can't pretend  
That nothings changed  
Living in the shadows  
Of the love we made

Back, when we were beautiful  
Before the world got small  
Before we knew it all  
Back, when we were innocent  
I wonder where it went  
Let's go back and find it

Sha la la...

Some dreams live  
Some will die  
But the you and me  
Is still alive  
Now am I blessed?  
Or am I cursed?  
Cause the way we are  
Aint the way we were

Back. When we were beautiful  
Before the world got small  
Before we knew it all  
Back. When we were innocent  
I wonder where it went  
Let's go back and find it

The world is cracked  
The sky is torn  
So much less  
Meant so much more

Back, when we were beautiful  
Before the world got small  
Before we knew it all  
Back, when we were innocent  
I wonder where it went  
Let's go back and find it

Back, when we were beautiful /x4
