

# Bone Krayzie, It's All Good

Felicia:

Lately you been stressin' me 'bout when I'ma give you some  
Callin' me, Jockin' me, sweatin me, Ain't gunna rush me, none  
'Cause when the time is right  
I'm gonna let you know when, thats for sure  
So wait on me, patiently and see what I got in store  
cuz  
I'm gonna represent to the fullest of it and  
I promise you no regret  
Just put your trust in me and baby,  
I promise this shit is legit

-Chorus-

F: It's all good  
K: Yup Yup Yup, It's All G double O D good  
F: It's all good  
K: Yup Yup Yup, It's All G double O D good  
F: It's all good  
K: Yup Yup Yup, It's All G double O D good

Felicia:

If I've told you once, then I've told you twice  
You got to get to know me  
There's more to relationship then jumpin in the sheets  
If it's what you want, then you better go, 'cause  
that ain't me, I don't give my love to just anybody  
If I'm not correct then prove me wrong  
And just hold on  
Gradually, you'll see, Just how good it'll be  
When the time is right  
I'll ease you mind with a little bump and grind  
Fantasies full of Extasy, We'll have a real good time

-Chorus-

Krazyie Bone:

If it's all good, we can get it on  
Hey, Ya wanna ride  
Krazyie Bone  
Come and jump in the Benz  
And Tell your friends that you'll get with them later  
Come on let me take ya  
Got a couple things that I wanna show you  
I'm really tryin' to know ya  
I'm just curious  
Is it really all good, you serious  
If it is I gotta jump on it, ride it, ghetto cowboy  
Suprised, you thought I was quiet  
I never was shy  
Baby, niggas just act like that  
Lay back but don't let that fool ya, rule ya  
Give a nigga the grind  
Because we both have time to talk  
I've been thinkin for a minute now  
I know just where I'ma start  
Let me listen to your heart beat  
Boom Boom  
Racin intense situation  
Is it gettin kinda hot in here  
No thats you  
Tempature is risin' and so am I

-Chorus-
