

Bone Thugs-N-Harmony, C-Town

(feat. Twista)

[Chorus x3:]

C-Town's How We Ride
Chi-Town's How We Ride
Mid-West How We Ride

[Verse: Twista]

Now Feel The Devistation And Unification Of The Thugs In The Middle Of The Map,
These Niggas Finna Snap,
Spit It For Niggas That Bit It, Then Give Them The Buisness They Gonna Feel It When We Jack
And Be Quick With It, Be Crack
Hit It With The Lyrical Accuracy And Harmony Imma See Who, I Ain't Fuckin' With The Mid-West,
You Could Try Attackin' Me And Bombin' Me Imma Be Spittin' So Fast, They Wanna Ask How He D
Bone Thugs And We Gotta Spit A Hard Flow,
It's Worthy Competition Everywhere That I Go,
But Ain't No Messin' With Cleveland Or Chicago,
Ballin' Through The Hood In A Marcialargo,
Or Gallardo, Or Ferrari, Or Diablo,
As Long As The Car Go Quick,
Flow So Sick,
Thought It Was Drama Between Bone And Twista,
We Do It Like This

[Chorus x3:]

C-Town's How We Ride
Chi-Town's How We Ride
Mid-West How We Ride
Come See How We Ride

[Verse: Layzie]

Standin' On The Corner At 10 Degrees,
We Got Pimps, Dope Pushers, And Petty Thieves,
Crooked Ass Cops Won't Let Me Breathe,
All My Love For The City Won't Let Me Leave,
What They Expect From Me?
They Want The Best From Me,
They Gonna Get It, Yeah.

[Chorus x3:]

C-Town's How We Ride
Chi-Town's How We Ride
Mid-West How We Ride

[Verse: Krayzie]

I Think It's Time We Show Them Bone, How We Ride,
And Let Everyone Know Just Where We Come From Mid-West Bounce,

It's That Bounce
That Make A Nigga Feel It When He Off That Ounce,
Of The Mary Mary Mary Jane,
We The Niggas Showin' Them Different Side Of Thangs,
Never Seen A Nigga That Switched The Rhyme This Way,
Now Everybody Run And Flip They Style Today,
Yup It's Kinda Strange
But,
A Nigga Got To Give It Up To The Mid-West,
Who Made 'Em Pick Up The Page Before They Get Left,
Get A Little Bit Of Twista And Hit That,
Roll It Up With Some Bone Thug Sit Back,
Just Feel The Vibe,
And Ya Never Let A Player Hater Kill Ya High,
With This Shit We Be Spittin' We Gon' Steal Ya Mind,
Once Again It's The Mid-West Side (West-Side)

[Chorus x3:]
C-Town's How We Ride
Chi-Town's How We Ride
Mid-West How We Ride

[Verse: Wish]
You Can Tell By The Way I Walk, The Way I Flow From Around Here,
Nigga Mid-West Where The Weed Ain't The Best But We Came Up,
Now We Get Flew From The West Coast, (West Coast Baby)

On The Same Level,
