

Bone Thugs-N-Harmony, Do It Again

Let's Do It Again

Let's Do It Again

[Chorus:]

Sweet Breeze In The Summer Time

Were Makin Everything Alright

Always Keep Ya Hypnotized

We Keep Ya Feelin Oh So High

...like Its 1999

All Over Again With All Of My Hustlas, Soldiers By My Side

Been A Long, Long Ride, Im Still Amazed How The Time Fly By

A Lot Of My Niggas Didn't Make It To See This

But Im Not Gonna Cry

We Slammin Doors On The Caddy Coupe

After Bar Groupin

When Them Niggas Was Out There Shootin

Drinkin 40s On The Roof

Went From Zeros To Six Figures

To Seven Figures And Better

Niggas Determined To Get On The Level

Down For Whatever, Chasin That Chedda

Ride Anywhere Neccesary, The Celebration Is Neccesary

It's A Hard Load To Carry

But That There Was Temporary

I Let It Relax Sometime

Just Chill Out With My Money

Then When Layzie Bone Is At It Again, Another Summer

Lets Have A Ball Nigga And Keep This One Blazin

[Chorus x2]

Hey They Thought It Was Over

The Bone Thugs N Harmony Was Finished

But They Must Of Forgot, They Forgot How Much I Rapper Like I

Sat Back Recline, And Trained My Mastermind

Came Up With A Faster Rhyme

In Time This Dogg Has Got U Hypnotized

So I Gotta Ask Them How In The Hell We Gon Fall Off

When We Got Half Of This Industry Swingin From Our Balls

Me And Dawgs

Untouchable, Niggas Could Never See Us, Never Be Us

Wont Even Get Close Enough To Try To Defeat Us

Niggas That Have They Come Learn With The Milla-Meta, Meta

Livest Niggas You Ever Gonna See Ah

Talk And Get Served And You'll That We Be It, Runnin The Game

Still Doin Our Everyday Thangs

So I Really Hope U Got You Game Up

Cause We Comin Hard So Don't Get Involved

If Ya'll Aint Ready To Bring Ya Gangsta

[Chorus x2]

You Feelin We Slippin Huh

You Think That We Missin The 1st Of The Month

10 Years We Done Been Here

We Spending Them Thangs And Bringin Them Guns

Yup We Better Get It, We Don't Have That Ammunition

But I Bet We Takin It There

[?] If U Wanna Run I Aint Braggin But I Keeps It Real

You Know Them Thug Niggas Is Gonna Bring Something

That Everybody Gonna Feel

You Ridin And Rollin And Smokin And Bumpin

Yeah That's How I Live

And I Been Here So I Live Here
Wont Put Me Out My Crib
My Address Is The Game And My Zip It Is The Hood
We Comin Back Like [?] And Water
A Couple Of Shakes And We Hittin The Hood With That Hard

[Chorus x2]
