

Bone Thugs-N-Harmony, Flow Motion

[Chorus:]

Flow...round by the wind

(Flow motion)

Flow...Round by the wind [x2]

[Lyaize bone:]

Ride wit me..

Ride wit me..

Who is that ckun wit the tongue

Like the double X ward.

talking out the neck

like we wouldn't push forward.

we murdered you niggas

and rap suckas

while you niggas

and we leave our competition

like where was none for us.

shit got board

back the to hood to the thugs and fiends.

sold crack in the hood

took my money

And my Trophies

And my Plaques back to the hood.

niggas weren't going out Hollywood not bone.

we keep it Gutta

Thuggish Ruggish from the 99

my paper hustle

been around the world acouple of times.

Check the record

you can see I' am work-in double time

give em' something they can feel

when i'm on the grind.

let the gangstas ride

In the summa time shine real bright.

if you wanna get down

let the top back slow

take a drag of the dro.

flippin hard time now

you can burn that now

[Chorus:]

I Flow when I go

In flo' mo', In Flow motion

(Flow...round by the wind) [x2]

[Kryazie Bone:]

Try and keep up to the rhythm

of the nigga really figga you handle

I'll make you an example sample

when I stomp on these

some niggas at random

clear mother

mend the anotha

to get the phantom family

see me and I got to

run in hood, while they run around

they comeing at chya

wit a sound like thugness

Strike like Lightin

hit em and they wonder

where they at,

now all them Thuggish Ruggish niggas

come from bone bone

never be anotha fag

that can fuck wit them thug Brothas
they all the same
they talk a lot but never got the balls to play
niggas better not
look at all this weight
no not this way
but if they ever fizzle to the Gristle
Blow the whistle,
on the swizzle its official
and we back
to get it crackin
in the middle of the action
we got ch'you in flow motion

[Chours:]
Flow...round by the wind
(I Flow when I go
In flo' mo', Flow motion)
Flow...Round by the wind [x2]

[Wish Bone:]
Point your fist
pull your pistol
put ch'ya finger in the middle
I'am show you
how to disrespect a issue
faggot nigga
let me loose fuck a Lawsuit
I gotta get em lay em' up
some where
we cap spinnin'
you gon' get em'
hospital Rehab
he allright one to the chest
one to the knee cap
I'mma keep it raw
so you know you better back off.
twist said get em
so you know we bout to bite chyaw
FS stepped up
fear when we roll up
every body roll up
everybody toast up
get it twist a nigga
pay attechin to when you leave
wit your grill-less
and feellins hurt
and shirt fulla dirt
nigga we work wit witch-it
I'ma busta nigga be first
back again gotta be heard
hada intermission but its so good
its so good back the Flow motion on em'

[Chours:]
I Flow when I go
In flo' mo', In Flow motion
(Flow...round by the wind) [x2]
