

# Bone Thugs n Harmony, Flowmotion

[Chorus]

Flowround by the wind

(Flow motion)

FlowRound by the wind [x2]

[Layzie Bone]

Ride wit me..

Ride wit me..

Who is that ckun wit the tongue

Like the double X ward.

talking out the neck

like we wouldnt push forward.

we murdered you niggas

and rap suckas

while you niggas

and we leave our competition

like where was none for us.

shit got board

back the to hood to the thugs and fiends.

sold crack in the hood

took my money

And my Trophies

And my Plaques back to the hood.

niggas werent going out Hollywood not bone.

we keep it Gutta

Thuggish Ruggish from the 99

my paper hustle

been around the world acouple of times.

Check the record

you can see I am work-in double time

give em something they can feel

when im on the grind.

let the gangstas ride

In the summa time shine real bright.

if you wanna get down

let the top back slow

take a drag of the dro.

flippin hard time now

you can burn that now

[Chorus]

I Flow when I go

In flo mo, In Flow motion

(Flowround by the wind) [x2]

[Krayzie Bone]

Try and keep up to the rhythm

of the nigga really figga you handle

Ill make you an example sample

when I stomp on these

some niggas at random

clear mother

mend the anotha

to get the phantom family

see me and I got to

run in hood, while they run around

they comeing at chya

wit a sound like thugness

Strike like Lightin

hit em and they wonder

where they at,

now all them Thuggish Ruggish niggas

come from bone bone

never be anotha fag

that can fuck wit them thug Brothas

they all the same

they talk a lot but never got the balls to play

niggas better not  
look at all this weight  
no not this way  
but if they ever fizzle to the Gristle  
Blow the whistle,  
on the swizzle its official  
and we back  
to get it crackin  
in the middle of the action  
we got chyou in flow motion  
[Chorus]  
Flowround by the wind  
(I Flow when I go  
In flo mo, Flow motion)  
FlowRound by the wind [x2]  
[Wish Bone]  
Point your fist  
pull your pistol  
put chya finger in the middle  
lam show you  
how to disrespect a issue  
faggot nigga  
let me loose fuck a Lawsuit  
I gotta get em lay 'em up  
some where  
we cap spinnin  
you gon get 'em  
hospital Rehab  
he allright one to the chest  
one to the knee cap  
Imma keep it raw  
so you know you better back off.  
twist said get em  
so you know we bout to bite chyaw  
FS stepped up  
fear when we roll up  
every body roll up  
everybody toast up  
get it twist a nigga  
pay attechin to when you leave  
wit your grill-less  
and feellins hurt  
and shirt fulla dirt  
nigga we work wit witch-it  
Ima busta nigga be first  
back again gotta be heard  
hada intermission but its so good  
its so good back the Flow motion on em  
[Chorus]  
I Flow when I go  
In flo mo, In Flow motion  
(Flowround by the wind) [x2]
