Bone Thugs n Harmony, Flowmotion

[Chorus]

Flowround by the wind

(Flow motion)

FlowRound by the wind [x2]

[Layzie Bone]

Ride wit me...

Ride wit me..

Who is that ckun wit the tongue

Like the double X ward.

talking out the neck

like we wouldnt push forward.

we murdered you niggas

and rap suckas

while you niggas

and we leave our competition

like where was none for us.

shit got board

back the to hood to the thugs and fiends.

sold crack in the hood

took my money

And my Trophies

And my Plaques back to the hood.

niggas werent going out Hollywood not bone.

we keep it Gutta

Thuggish Ruggish from the 99

my paper hustle

been around the world acouple of times.

Check the record

you can see I am work-in double time

give em something they can feel

when im on the grind.

let the gangstas ride

In the summa time shine real bright.

if you wanna get down

let the top back slow

take a drag of the dro.

flippin hard time now

you can burn that now

[Chorus]

I Flow when I go

In flo mo, In Flow motion

(Flowround by the wind) [x2]

[Krayzie Bone]

Try and keep up to the rhythm

of the nigga really figga you handle

III make you an example sample

when I stomp on these

some niggas at random

clear mother

mend the anotha

to get the phantom family

see me and I got to

run in hood, while they run around

they comeing at chya

wit a sound like thugness

Strike like Lightin

hit em and they wonder

where they at,

now all them Thuggish Ruggish niggas

come from bone bone

never be anotha fag

that can fuck wit them thug Brothas

they all the same

they talk a lot but never got the balls to play

niggas better not look at all this weight no not this way but if they ever fizzle to the Gristle Blow the whistle, on the swizzle its official and we back to get it crackin in the middle of the action we got chyou in flow motion [Chorus] Flowround by the wind (I Flow when I go In flo mo, Flow motion) FlowRound by the wind [x2] [Wish Bone] Point your fist pull your pistol put chya finger in the middle Iam show you how to disrespect a issue faggot nigga let me loose fuck a Lawsuit I gotta get em lay 'em up some where we cap spinnin you gon get 'em hospital Rehab he allright one to the chest one to the knee cap Imma keep it raw so you know you better back off. twist said get em so you know we bout to bite chyaw FS stepped up fear when we roll up every body roll up everybody toast up get it twist a nigga pay attechin to when you leave wit your grill-less and feellins hurt and shirt fulla dirt nigga we work wit witch-it Ima busta nigga be first back again gotta be heard hada intermission but its so good its so good back the Flow motion on em [Chorus] I Flow when I go In flo mo, In Flow motion

(Flowround by the wind) [x2]
