

# Bonepony, Voodoo Banjo

Sail on a southbound train  
Move up and peer inside  
Creole tongue hard to understand  
Move up and peer inside

Hip hop on a down town train  
Mojo lord is in my veins  
Burn the fat and play that Voodoo Banjo  
Black wing bird up in the tree  
Dead mans song that he sings for me  
Burn the fat and play that Voodoo Banjo

Six foot tall a big long drink  
Cajun lips hot and spicy to kiss

Hip hop on a down town train  
Mojo lord is in my veins  
Burn the fat and play that Voodoo Banjo  
Black wing bird up in the tree  
Dead mans song that he sings for me  
Burn the fat and play that Voodoo Banjo

Royal Blue Avenue  
Gold lame  
Platform shoes

Hip hop on a down town train  
Mojo lord is in my veins  
Burn the fat and play that Voodoo Banjo  
Black wing bird up in the tree  
Dead mans song that he sings for me

She undressed by candle light  
Incense sweet perfume  
Her Creole tongue was hard for me to understand  
Incense, sweat, anyhow
