Boney M., 10 000 Lightyears

10.000 Lightyears somewhere out in space They practice love and they know what it takes No competition and no jealousy Living in freedom and humanity 10.000 Lightyears away, lightyears away far from pain Came to a place full of [grace and love weed]? 10.000 Lightyears away from our fear Suddenly it's ringing in my ears Why is it now I don't wanna be here I feel like flow in that clock at the wall God, how I wish that this dream would go on 10.000 Lightyears away, lightyears away far from pain Came to a place full of grace and of peace 10.000 Lightyears away from our fear 10.000 Lightyears somewhere out in space (10.000 Lightyears) 10.000 Lightyears somewhere out in space (10.000 Lightyears) 10.000 Lightyears somewhere out in space (10.000 Lightyears) 10.000 Lightyears somewhere out in space (10.000 Lightyears)
