

# Boney M, Boonoonoonoos

Boonoonoonoos give me Boonoonoonoos  
Boonoonoonoos little bit Boonoonoonoos

Let me tell you of a feeling  
That is spreading to the land  
It will give you good vibrations  
It will help you understand

Boonoonoonoos that's Boonoonoonoos

It will help you love your neighbour  
It will turn you to the light  
It will make you come out jammin'  
From the morning till the night

Boonoonoonoos that's Boonoonoonoos

Boonoonoonoos give me Boonoonoonoos  
Boonoonoonoos little bit Boonoonoonoos

Everywhere the sun is shining  
There's a sweetness in the air  
Can you feel a new day rising  
On the people ev'rywhere

Boonoonoonoos that's Boonoonoonoos

We can split a tiny atom  
We can walk upon the moon  
It's been too long coming on us  
Gonna hear about it soon

Boonoonoonoos that's Boonoonoonoos

Boonoonoonoos give me Boonoonoonoos  
Boonoonoonoos little bit Boonoonoonoos  
Boonoonoonoos give me Boonoonoonoos  
Boonoonoonoos little bit Boonoonoonoos
