## Boney M, No Woman, No Cry

No woman no cry
No woman no cry
No woman no cry
No woman no cry
Cause I remember when we used to sit
In a government yard in trenchtown
Observing the hypocrites
Mingle with the good people we meet
Good friends we have, now
Good friends we have lost
Along the way
In this great future,
You can't forget your past
So dry your tears, I say

No woman no cry No woman no cry Oh little darling, don't shed no tears No woman no cry Cause I remember when we used to sit In the government yard in trenchtown When Georgie would make the fire lights I say, log would burnin' through the nights Then we would cook cornmeal porridge Of which I'll share with you My feet is my only carriage So I've got to push on thru, And while I'm gone Everything 's gonna be alright Everything 's gonna be alright Everything 's gonna be alright now Everything 's gonna be alright Everything 's gonna be alright now Everything 's gonna be alright No woman no cry

No woman no cry No woman no cry No woman no cry No woman no cry Oh little darlin' don't shed no tears No woman no cry Oh little darlin' don't shed no tears No woman no cry

Said I re, said I re, Said I remember No woman no cry

You and I and you and I and you and I No woman no cry

Cause I remember when we used to sit there No woman no cry In a government yard

No woman no cry No woman no cry No woman no cry, yeah No woman no cry

No woman no cry (you sweet darling) No woman no cry

No woman no cry, yeah

No woman no cry No woman no cry, yeah No woman no cry

No woman no cry
