

# Boney M, Ribbons Of Blue

Ribbons of blue  
Remind me of you  
Ribbons of red  
Are the way that my heart bled  
Memories so clear  
Are still ringing in my ears  
So I wanna send to you  
My Ol' ribbons of blue

Ribbons of blue  
Now remind me of you  
Ribbons of red  
Are the way that my heart bled  
Memories so clear  
Are still ringing in my ear  
So I wanna send to you  
My Ol' ribbons of blue

Got me a ribbon  
Bright blue ribbon for my hair  
Made me a promise  
Now I know he didn't care  
Touched by his first kiss  
Fooled by his first song  
The way he led me along  
With my ribbons undone

Ribbons of blue  
Now remind me of you  
Ribbons of red  
Are the way that my heart bled  
Memories so clear  
Are still ringing in my ear

(At this point, the song is over on the LP/CD Oceans Of Fantasy...)

So I wanna send to you  
My Ol' ribbons of blue

Sad for me baby  
So bad for me baby Oohh  
Hard on me baby  
So far from me baby Oohh

Ribbons of blue  
Now remind me of you  
Ribbons of red  
Are the way that my heart bled  
Memories so clear  
Are still ringing in my ears  
So I wanna send to you  
My Ol' ribbons of blue

(At this point, the 3:03 version is over on the LP/CD Magic of Boney M...)

(The following is performed only on the 4:22 "Single Version)

Blue Ribbon Dreamer  
Came with words that sounded right  
Took me dancing  
Held me close and  
Held me tight  
Fooled by his first kiss  
Touched by his first song

The way he led me along  
With my ribbons undone

Ribbons of blue  
Now remind me of you  
Ribbons of red  
Are the way that my heart bled  
Memories so clear  
Are still ringing in my ears  
So I wanna send to you  
My Ol' ribbons of
