Boney M., Sample City

Computer on the move Gonna' make your body groove Gonna' hold you tight and lift you to the top If your feeling kind of low Press the trigger in you go And you better never wanna' make it stop

Sample City
Sounds so pretty
If they bit is feeding human touch
Sample City
More than pretty
Apparently it turns you too whatever it does so much

Your feeling like a clown
If you enter sample town
All the finest songs are hidden in a chip
With the funny noise around
Is it music is it sound
So you travel on a psychedelic trip

(Repeat the middle verus twice)
