

Boney M., Silly Confusion

Meet me on the moon very very soon
Meet me on the stars Jupiter and Mars
Fly me to a star
Burning out in space shining on my face

Fly me through the night on your Silver Wings
Over crystal seas Valleys of the Kings
By the lilac shore where the dragon flies
In the diamond skies

Silly Silly Confusion
And tangle of wild illusion
We're living in a wonderworld of fantasy
We spent all our times in sweet living dreams

It's a Silly Silly Confusion
Like a flower of wild profusion
You can do the things in life
You always wanted to
Within your heart you know it always will come through

Take me for a ride in your Dream-Machine
To a time and place where no one has been
Let me look upon worlds I've never seen
In your Dream-Machine

Fly me to a star burning out in space
Let me feel the light shining on my face
Sail on solar winds sail on silver birds
Through the universe

Silly Silly Confusion...
It's a Silly Silly Confusion...

Silly Silly Confusion...
It's a Silly Silly Confusion...

Silly Silly Confusion
Silly Silly Confusion
