

# Bonfire, I'd Love You To Want Me

When I saw you standing there  
I about fell off my chair  
When you moved your mouth to speak  
I felt the blood go to my feet

Now it took time for me to know  
What you tried so not to show  
Something in my soul just cried  
I see the want in your blue eyes

Chorus:  
Baby, I'd love you to want me  
The way that I want you  
The way that it should be  
Baby, you'd love me to want you  
The way that I want to  
If you'd only let it be

You told yourself years ago  
You'd never let your feelings show  
The obligation that you made  
For the title that they gave

Baby, I'd love you to want me  
The way that I want you  
The way that it should be  
Baby, you'd love me to want you  
The way that I want to  
If you'd only let it be

Now it took time for me to know  
What you tried so not to show  
Something in my soul just cried  
I see the want in your blue eyes

Baby, I'd love you to want me  
The way that I want you  
The way that it should be  
Baby, you'd love me to want you  
The way that I want to  
If you'd only let it be
