

# Bonfire, If It Wasn't For You

I wouldn't say - that I'm feeling lonely  
but since you're gone - there's a hole in my heart  
memories - can leave you hungry  
for something you have lost in the dark

I wouldn't say - I don't miss your kisses  
and makin' love to you - that feels so right  
when love is gone - it feels like winter  
alone - you just can't keep yourself warm

I don't know - how could I be so blind  
now I know - I just can't turn back time

## CHORUS

Would I live and die  
Would I laugh and cry  
if it wasn't for you  
Would I feel the same  
Would I stand the pain  
if it wasn't only for you

I wouldn't say - I'm a good pretender  
standing in the spotlight - is a doubtful shine  
I lie awake - and the nights are endless  
cause you don't know what you've got 'til it's gone

I don't know - if I am strong enough  
now I know - I'm still lost in your love

If there would be a way - just to make it all undone  
I would never stop believin' - that you're the only one

## CHORUS
