

Bonfire Pickets, Ballet Of The Vampire

Build me up and tear me down
Do whatever the hell you want
You're not gonna make me cry
You sent my friends to die
You've done things unimaginable
And I haven't even sighed
My soul is indestructible
And my will is invincible
Self-control is the key
But this you cannot find
And you won't tell anyone
But you think you want to cry

Chorus x2

Ballet of the vampire
You're not gonna get me down
Ballet of the vampire
Why don't you fucking drown?

You want to make me mad
So that I'll be just like you
But to live forever with no soul
That I just don't want to do
It's not a blessing you stupid fools
It's a curse from the depths of hell
What is life without feeling?
I'll keep them even if it means
I'll be the lonely boy
The lonely boy

Chorus x2

You say that you're invincible
But daylight burns you to the soul
I can live with pain and fear
It's better than your sorry state
