

Bonfire Pickets, Look Outside Yourself

Open your eyes
What do you see?
Is there a world here?
Or is it just you and just me?
Way back in the good times
Before the darkness was here
We looked outside
Without any fear.

Open your eyes
Look outside yourself x2

And now you've looked outside
What did you find?
Was your soul in the doorway?
Were you leading the blind?
Were you leading the blind?
Were you leading the blind?

Open your mind
Look outside yourself x2

Now that you've taken your leave
What do you hope to achieve?
Because running away
Will not destroy the pain
Because running away
Will not destroy the pain

Open your eyes
Look outside yourself x2
