

# Bongzilla, Keefmaster

Here we sit  
In the circle of death  
The five-pointed leaf  
Drops the powder of life

Two are left  
The keef has spoken  
The pain is gone  
The power of the powder toker

Rocky Mountain, Rocky Mountain, Rocky Mountain  
Take me high  
Rocky Mountain, Rocky Mountain, Rocky Mountain  
Take me to the sky

Rocky Mountain, Rocky Mountain, Rocky Mountain  
Take me high  
Rocky Mountain, Rocky Mountain, Rocky Mountain  
Take me to the sky
