

# Bonham Tracy, Sharks Can't Sleep

Saw a shark today  
Ate a man and then just swam away  
But it wasn't ok  
No, it wasn't ok  
Saw a snake today  
Ate another snake then squirmed away  
But it wasn't ok  
No, it wasn't ok  
But it wasn't ok  
No, it wasn't ok  
Met a star today  
Looked like flesh and bone  
And tooth decay  
But it wasn't ok  
No, it wasn't ok  
But it wasn't ok  
No, it wasn't ok  
No, it wasn't ok  
No...no..not I  
No..not me!  
Ate a man today  
Ate a man and then just walked away  
But it wasn't ok  
No, it wasn't ok
