

Bonnie McKee, American Girl

I fell in love in a 7/11 parking lot
Sat on the curb drinking slurpees we mixed with alcohol
We talked about all our dreams and how we would show 'em all
I told him I got a plan and I'm gonna dominate
And I don't need any man to be getting in my way
But if you talk with your hands then we can negotiate
I just keep moving my body
I'm always ready to party
No I don't listen to mommy
And I'll never say that I'm sorry

Oh I'm an American girl
Hot blooded and I'm ready to go I'm loving taking over the world
Hot blooded, all american girl I was raised by a television
Every day is a competition Put the key in my ignition

I wanna see all the stars and everything in between
I wanna buy a new heart out of a vending machine
Cause It's a free country so baby we can do anything
I just keep moving my body I'm always ready to party
No I don't listen to mommy and I'll never say that I'm sorry

Oh I'm an American girl Hot blooded
and I'm ready to go I'm loving taking over the world
Hot blooded, all American girl
I was raised by a television
Every day is a competition
Put the key in my ignition

You know we're gonna shine so bright
We're gonna shine so bright
Oh baby gonna go all night
We're gonna go all night
You know we're gonna shine so bright
We're gonna shine so bright
Oh baby gonna go all night

Oh I'm an american girl
Hot blooded and I'm ready to go I'm loving taking over the world
Hot blooded, all american girl
I was raised by a television
Every day is a competition
Put the key into my ignition

Oh I'm an american girl
Hot blooded and I'm ready to go I'm loving taking over the world
I'm an American girl...
