

Bonnie Owens, Begging To You

I left you this morning couldn't take it anymore
You laughed and you dared me till walk out the door
You said that I'd come back you knew what I'd do
And you know you were right I'm back here tonight begging to you
I won't disappoint you I'm begging to stay that's what you wanted to hear anyway
It must make you happy to make me so blue
What a pityful sight I must be tonight begging to you
You don't want my lovin' but you let me hang around
I guess just to walk on so you don't touch the ground
To you it don't matter what you cause me to do as long as you keep me begging to you
