

Bonnie Owens, Consider The Children

Please consider the children don't walk out and leave
Remember they need you just the way they need me
They'll grow up half attended with just half a home
Consider the children don't leave us alone
I'll consider the reason if you promise to stay
And if you still wanna see her I won't stand in your way
You're a big man in their world don't break up our home
Consider the children don't leave us alone
[steel - dobro]
I'll consider the reason...
