

Bonnie Owens, Don't Tell Me

Don't tell me that you love me when you know I know you don't
Don't let your passion disillusion you
Don't tell me you'll be true because you know I know you won't
Just one love is not enough for you

I'd be a fool to think that I could trust you all the time
But still I'm fool enough to love you and your wanderin' mind
When you're with me makes me believe that your love for me is true
And when i'm not around do what you're big enough to do
Don't tell me that you love me...

[guitar]

Don't tell me that you love me...
Just one love is not enough for you just one love is not enough for you
