

Bonnie Owens, I Couldn't Keep From Crying

I saw you walking by her side heard you whisper all those lies
And I couldn't keep from crying
You sang her love songs tenderly words you used to sing to me
And I couldn't keep from crying
Saw you capture all her charms as she nestled in your arms
With your pretty words and ways in your heart she took my place
I stood and watched her steal a kiss from two lips I know I'll miss
And I couldn't keep from crying
Saw you capture all her charms...
