

Bonnie Owens, If You Really Want Me To I'll Go

If you really want me to I'll go it's not that I want to but I'll go
If you know somebody who could love you more than me
If you really want me to I'll go
I don't know just what you're tryin' to do I only know my love for you is true
Don't tell me that it's over don't tell me that we're through
If you'll leave I don't know what I'll do
I need you more than you know ask me to do anything but go
I can hardly talk afraid I'll cry just don't think that I can say goodbye
Don't tell me that it's over don't tell me that we're through
If you'll leave I don't know what I'll do
[ac.guitar]
I need you more than you know...
Don't tell me that it's over...
