

Bonnie Owens, Souvenirs

I've got my souvenirs that's one thing you can't take away
I've got all my memories of yesterday
Though you've gone and left me here to cry these tears
You can break my heart but you can't take my souvenirs

I can't forget the day we met so long ago
The first time that we kissed I knew I loved you so
All these these things're burned into my memories
The souvenirs that you can't take away from me
I've got my souvenirs...

(guitar)

I keep your letters and I keep your Valentines
Wonder signs of love that say you'll be mine
I still have your picture hangin' on the wall
They're my souvenirs and I'm glad I kept them all
I've got my souvenirs...
You can break my heart but you can't take my souvenirs
