

Bonnie Owens, You Don't Have Very Far To Go

You always find the way to hurt my pride if I'm not crying you're not satisfied
I don't know why you want to hurt me so
But if you're trying to break my heart you don't have very far to go
You don't have very far to go before the heartaches begin
I already feel the sadness of a heartbreak settin' in
You're turning down the flame of love too low
If you're trying to break my heart you don't have very far to go
[steel]
You don't have very far to go before the heartaches begin
I already feel the sadness of a heartbreak settin' in
You can't love me and still want to hurt me so
If you're trying to break my heart you don't have very far to go
