

Bonnie Pink, Communication

How much to know
How far to go
Still don't know
But never too much to show
You ask me to let you be a man
But what's that supposed to mean, Mr.?

Is hiding better than telling the truth?
It ain't deep enough
It ain't tight enough
Is hiding wiser than sharing the thoughts?
It ain't deep enough
It ain't tight enough

All I ask you for is
Communication
All I ask you for is
Communication

One day you'll be a super star
Then I'll be more scared of your mystique
Please make me feel that I am special
Don't be so private to me

Is hiding better than telling the truth?
It ain't deep enough
It ain't tight enough
Is hiding wiser than sharing the thoughts?
It ain't deep enough
It ain't tight enough

All I ask you for is
Communication
All I ask you for is
Communication
