

Bonnie Pink, Fallen Sun

Sankai kokoro midasareta toshite mo
Juukai dotanba made oikomarete mo
Ashibaya ni kitto kakenukeru yo
Children, they can get over everything, can't they?
Anna ni kagayaite seishun o
Daremo hitei nante dekinai no sa
Otona nara waratte mitsumete iyou
Sunflower, they can't stand without sun, right?
Kinou sora kara okkochite shimatta
Boku no namae wa ochita taiyou sa
Demo koukai nante shinai sa shikatanai kara
Grown-ups, they sometimes envy children, but the other way too
Kore ijou ochiru koto wa nai yo ne
The sun is doomed to fall
My name is Fallen Sun
