

Bonnie Pink, Fish

Fish...
Strolling in town.
Fish...
Up and down.
Fish...
Cross the moon so easily,
like a shooting star
Fish...

Fish...
Seem to know.
Fish...
Where to go.
Fish...
Lead me to the garden of oblivion,
before the sun goes down.
Fish...

Fish...
Swim to survive.
Fish... Not scared to dive.
Fish... I wish I could see what you see,
when Im in the dark.
Fish...

Fish...
Take me, take me
Take me fish...
Take me, take me,
Take me fish...
Take me, take me,
Take me fish...
To the turquoise fantasy.
Fish fish fish fish
