

# Bonnie Pink, Losing Myself

Tears I drop as the leaves free fall  
will be a cannonball  
will hit me of yesterday  
Wish me good luck  
or take my hand  
Like the moonstruck  
Boy, I'm losing myself

Anata ni sasageta ooki na ai wa  
Karete nao mo utsukushii  
Tenjou no DRY FLOWER no you ni  
Sakihokoru yo  
Boy, I'm losing myself

Gairoju ni mo tarekakatte  
Namida shita Sore wa maru de  
Yuunagi ni dakiau futari  
I never tell you  
but I'm losing myself

Anata wo tsutsumikonda chiisa na toge ni  
Sasarete nao mo itooshii  
Nikunde mo dakarete mo  
Mune ga harisakeru yo  
Boy, I'm losing myself

Motomete mo motomerarete mo  
Nai mono wa ataerarenai  
Tadashikute mou ira-ira suru  
I never tell you  
but I'm losing myself  
Hontou wa wakatte hoshii  
Hitori de wa chizu mo yomenai  
Nanjaku na kutsu ni umorete  
I never tell you  
but I'm losing myself  
I never realized  
You were my guiding star  
I never realized  
I never tell you  
but I'm losing myself
