

# Bonnie Pink, Rope Dancer

I'm facing the air  
climbing invisible stairs  
I'm alone and shaking  
like a rope dancer  
It's calm and warm  
Feels like before the storm  
But I'm scared deep down  
like a rope dancer

If you say you can catch me  
when I fall from above  
I'd try to make it  
with the mystery of love  
This game is so hard to win  
But I'll stay to the bitter end  
Baby I'll make it  
if you give me a chance

I'm walking in hope  
on an unstable rope  
People say  
I've got a nice lifestyle  
I don't need much  
But I want you to be there in the clutch  
so that I could be brave  
like a rope dancer

If you say you can catch me  
when I fall from above  
I'd try to make it  
with the mystery of love  
This game is so hard to win  
But I'll stay to the bitter end  
Baby I'll make it  
if you give me the strength...the strength

I'm howling out loud  
to keep my balance somehow  
I'm alone and fighting  
against danger  
It's tough  
It's rough  
But I know where there's a will,  
there's a way

If you say you can catch me  
when I fall from above  
I'd try to make it  
with the mystery of love  
This game is so hard to win  
But I'll stay to the bitter end  
Baby I'll make it  
if you give me a chance

one more chance  
Do you believe me?  
Do you believe me?
