Kono ai ni tsukareta watashi wo waratte
Take me take me in
Have nowhere else to go
Kimi dake ja nai yo to issho ni naite
Take me in

Don't you wanna take me in
You don't want me to stay?
I could be the one if you take me in
Is this just a game or what? What a shame...
Baby, you don't want to stand alone

Take me in, take me in
Will you take me in?
