

# Bonnie 'Prince' Billy, Death in the Sea

The ocean is blue  
I know it's blue

Someday I must die  
It ain't for me to know why  
And I want to die in the sea

So I let go now  
It's symbol and howl  
Got to put this end to me

Well I don't really mind  
If that's not how I die  
So I put it off  
With a blade in my eye

There's a hole in the sky  
Foolish, I must fly  
To get to my grave in the sea

To get to my grave in the sea
