

# Bonnie 'Prince' Billy, Hard Life

And it's a hard life  
For a man with no wife  
Baby, it's a hard life  
God makes you live

But without it,  
Don't doubt it  
You don't even have  
Your tears to give

I wake up and I'm fine  
With my dreamings still on my mind  
But it doesn't take long, you see  
For the demons to come and visit me  
And i've got my problems  
Sometimes love doesn't solve them  
And i end each day in a song

And it's a hard life  
For a man with no wife  
Lord, it's a hard life  
God makes you live

But without it,  
Baby don't doubt it  
You don't even have  
Your tears to give

I know i'm a hard man  
To live with sometimes  
Maybe it ain't in me  
To make you a happy wife of mine

And maybe you'll kill me  
Honey i don't blame you  
If i were in your place,  
Maybe that's what i would do

But i ain't breathing  
Let me breath  
Let me go  
Let me leave  
I don't know  
But i might lose  
I might bum  
I hate to blow a fuse

So let me go,  
Lay down  
On my own  
Let me drown  
Let me go  
Go where you don't know
