

Bonnie 'Prince' Billy, Joy And Jubilee

There's no reason to be seen
No one knows where i have been,
Where i have been
I mean love is what i mean

Joy, joy and jubilee
Joy, joy and jubilee
Joy, joy and jubilee
Joy, joy and jubilee

This is what i want to be
Everything inside of me,
Inside of me
Where only shoes should be

Joy, joy and jubilee
Joy, joy and jubilee
Joy, joy and jubilee
Joy, joy and jubilee

Everything
Is on the wing
And every face is in a hidden place
