

Bonnie 'Prince' Billy, Little Boy Blue 2

Well, I thought I was so high above you
You were so good to me
Even though you knew I didn't love you
You were still good to me

Used to make you happy, to see you cry
You were so good to me and that's no lie
Used to call me 'Bonny, little boy blue'
Said, "Blow your heart, little boy blue"

Bonny, ooh
So good to me, oh yes you were
I remember, baby, when you cried all night long
I know now, darling, I was doin' you wrong

If I had a million dollars, give you every, every dime
Just to hear you call me Bonny one more time
You called me B-O-N-N-Y
B-O-N-N-Y, Bonny !
You called me Bonny
(B-O-N-N-Y) Used to sound so good
(B-O-N-N-Y) You don't know how much I miss you
(B-O-N-N-Y, B-O-N-N-Y)
(B-O-N-N-Y, B-O-N-N-Y)
(B-O-N-N-Y)
