

# Bonnie 'Prince' Billy, Raining In Darling

darling

i can stay awake all night  
but i would make mistakes, alright  
and the body asks so much

sweet thing

i give you what i reach  
taken what i had to teach  
and re-rendered it with such  
with such  
with such

o, it don't rain anymore  
i go outdoors  
where it's fun to be  
and I know you love me

i know you do
