

Bonnie 'Prince' Billy, You Will Miss Me When I Burn

when you have no one
no one can hurt you
when you have no one
no one can hurt you
In the corners there is light
that is good for you
and behind you, I have warned you,
there are awful things
Will you miss me
when I burn, and will you eye me
with a longing
it is longing that I feel
to be missed for, to be real
When you have no one,
no one can hurt you
when you have no one,
no one can hurt you
Will you miss me when I burn,
and will you close the others' eyes,
it would be such a favor
if you would blind them
There is absence, there is lack
there are wolves here abound
You will miss me
when I turn around
When you have no one,
no one can hurt you
when you have no one,
no one can hurt you
