

# Bonnie Raitt, Angel

I've had my dreams  
And they're all about you  
What will I do with my dreaming?  
And I've had my schemes  
And it seems that they'll get me through  
But will I do without you?

Angel, tell me what will I do  
Sailing alone without you?  
I know you have made your plans  
Angel, now what will you see  
Sailing alone without me?  
Angel, tell me what will you see  
Sailing alone without me?

[Guitar break]

Sailing alone without me  
Angel, tell what will you see  
Sailing alone without me?

[Guitar for the rest of song]
