(ooh if only, ooh if only)

If you listen to the night you can hear the darkness fall

I can barely stand the wait, i can barely stand at all

Come on closer to me now, like we're sharing the same skin

We gotta get out of this jail, we gotta let the future in

So many things in your life that you're bound to regret

Why didn't i do that? why didn't i do this?

So many chances you've lost that you never forget

Why didn't i make it? why didn't i take it right then?

The loneliest words you'll ever know if only, if only it was so

The emptiest words that there'll ever be

It could've been me, it could've been me

The loneliest words you'll ever know if only, if only it was so

The emptiest words that there'll ever be

It could've been me, it could've been me

You'll have to pay for it later

If you don't get it while it's going for free

Believe me, believe me

A kiss is a terrible thing to waste

A kiss is a terrible thing to waste

It's something that's always been so

A kiss is a terrible thing to waste

A kiss is a terrible thing to waste

And one of these nights i'm gonna show you that you already know

There's a feast waiting for you and you've never even gotten a taste

It's later than you think and a kiss is a terrible thing to waste

You shouldn't tremble when they touch there's no reason for these fears

It's a promise that was made, we've been promised this for years

I want to show you it all, what to do and where and how

'cause we'll never be as young as we are right now

Never be as young as we are right now

So many cries in the night that you try to ignore

Why didn't i do this? why didn't i do that?

So many un-answered prayers, so many un-opened doors

Why didn't i take it? why didn't i make it come true?

The loneliest words you'll ever know if only, if only it was so

The emptiest words that there'll ever be

It could've been me, it could've been me

The loneliest words you'll ever know if only, if only it was so

The emptiest words that there'll ever be

It could've been me, it could've been me

You'll have to pay for it later

If you don't get it while it's going for free

Believe me, believe me

A kiss is a terrible thing to waste

A kiss is a terrible thing to waste

It's something that's always been so

A kiss is a terrible thing to waste

A kiss is a terrible thing to waste

And one of these nights i'm gonna show you that you already know

Tire tracks and broken hearts, that's all we're leaving behind
It doesn't matter what we lose, it only matters what we're going to find
Tire tracks and broken hearts, that's all we're leaving behind
It doesn't matter what we lose, it only matters what we're going to find

Tire tracks and broken hearts, that's all we're leaving behind
(let's get away from the past)
It doesn't matter what we lose, it only matters what we're going to find
(so many ways to go fast)

Tire tracks and broken hearts, that's all we're leaving behind
It doesn't matter what we lose, it only matters what we're going to find
Tire tracks and broken hearts, that's all we're leaving behind
It doesn't matter what we lose, it only matters what we're going to find

There's a feast waiting for you and you've never even gotten a taste
It's later than you think and a kiss is a terrible thing to waste
