

Bonnie Tyler, Angel Heart

Oh baby I'm dreaming
I'm dreaming that you are my love
If you hear my heartbeat
Oh baby I'm feeling
I'm rocking and reeling apart
Can't you hear my heartbeat
Please take my hand - don't cry
True love - we can't deny

I feel a thunder in my heart
Every night I feel emotion
Cause you've got my love babe
Angel Heart - Oh, we'll never break apart
I feel a thunder in my heart
Every night I feel emotion
Cause you've got my love babe
reakin' up, that's no surprise
So much invested in our so-called "love lives"
Give it up, heart over mind
You can't explain away
The tears you been cryin'
I don't want to own you
I just want to know you
I just want to love you
More than words can say
